Information Centre

The Information Centre is located in Te Hīkoi Museum at 172 Palmerston Street. Here you can arrange guided tours, trips, travel and accommodation, while receiving great advice about what to do in the local area, including the renowned Southern Scenic Route.

Things to Do

TE HĪKOI MUSEUM – RIVERTON

www.tehikoi.co.nz • info@tehikoi.co.nz
Ph 03 234 8260

172 Palmerston St, Riverton / APARIMA
Open 10am – 5pm daily (4pm in winter).
Admission charges apply.

“The South’s ultimate heritage attraction”

Take an interactive journey through Te Hīkoi, featuring authentic displays, adventurous characters and engaging stories. These reveal how our Māori and European ancestors adapted to survive on nature’s edge. Our sailing ship theatre helps you re-live memorable episodes from our rich bi-cultural past. Gain insight into the seasonal lifestyle of early Māori, the privation of early sealers and the perilous adventures of shore whalers, who forged enduring peace with Maori through intermarriage and enterprise. The war display tells how wars tore apart small towns. Saw milling, tilling the land, geology and the significant Chinese gold miners are all things you will learn about in our town’s amazing museum.

- **Books, gifts and souvenirs available for purchase.**
- **Audio guides in multiple languages available.**
- **Research your ancestry or building history.**

Walks

A MORE’S SCENIC RESERVE

The reserve overlooks the township of Riverton/Aparima. Tracks provide panoramic views of Foveaux Strait and feature abundant birdlife. This area includes wahi tapu/treasured places for Māori and visitors are asked to respect this.

- Hilltop Lookout Track 20 minutes return

A short uphill walk on a gravel track is rewarded by outstanding panoramic views.

- More’s Lookout Track 30 minutes return

An easy walk through native forest emerges at a tree-top lookout platform, which offers bird’s eye views of the southern coastline and forest below.

- Kings Track 20 minutes return

This easy walking track follows a route used by early settlers. It emerges from the bush to offer wonderful views over Riverton/Aparima and the Southland Plains.

B TARAMEA BAY WALKWAY

This easy coastal walk follows a gravel track between Riverton Rocks and the Jacobs River bridge. The length of the walk can be adjusted to suit individual needs with start/finish points at Bay Road, Towack Street, Taramea Bay Road and Rocks Highway.

C COLAC BAY beach walk

Named Ōraka by Māori, this is a popular holiday and surfing spot 10 minutes drive from Riverton. Meander along the waterfront, watch some surfing at the eastern end of the beach and then enjoy some rock hopping towards the town.

D ROUND HILL - LONG HILLY TRACK

Starting at Round Hill Road, 15 km west of Riverton; Long Hilly track is a gravelled loop track traversing a small section of the Round Hill goldfield. It is managed by Te Araroa Southland Trust as part of the Te Araroa Trail - a walking track from Cape Reinga to Bluff. Visitors pass various historic gold sluicing features along the babbling California Creek in regenerating native bush. Leaving the car park on Round Hill Road (one kilometre off State Highway 99) the track also passes through an historic logging tramline cutting.

E WETLAND RESERVE Entrance from Lucknow St, ideal at low tide.

Other Services

Medical Centre - 104 Palmerston St. Ph 03 234 8290

Passenger Service
between Riverton and Invercargill. Ph 0274 339 678
